Don't miss the Annual Field of Honor to fly November 9 – 16, 2014 at Town Square Park featuring a spectacular display of 2,014 American flags flying in perfect rows and columns. These flags honor veterans, including active duty military personnel, police, firefighters, and other first responders who protect our freedom and security.

You also can honor your loved ones or other heroes by sponsoring a flag that will be yours to keep after the event. Attached to the flag will be a yellow ribbon with the name of your hero. Flag sponsorship forms and additional information can be found at www.murrietafieldofhonor.com.

During the week the flags are flying, there will be several events, including opening ceremonies and a concert honoring emergency first responders. On Veterans Day, November 11, be sure to come out for the annual parade that will end among the flags at Town Square Park.

For latest plans about programs throughout the week, check the club's website at www.murrietafieldofhonor.com. This event is a partnership of the Rotary Club of Murrieta and the City of Murrieta. Net proceeds from the Field of Honor will benefit the Murrieta Through Time project (a history walk at Town Square Park), the City's Veterans Memorial, and other projects of the Rotary Club of Murrieta.

FACILITY FEATURES

The Murrieta Youth Center...Imagined by youth, programmed by youth, and focused on youth.

The youth center is the first of its kind for southwest Riverside County. Solely focused on serving as a positive alternative space for youth of Murrieta to socialize, educate, and develop as productive members of the community. This focus is achieved primarily through peer-to-peer mentoring, responsible empowerment, educational programming, and through strong positive supervision.

The north side of the building consists of staff offices, a kitchen (equipped with snow-cone and popcorn machines), bathrooms, and a conference room with a modular table able to accommodate one-on-one schoolwork help and Youth Advisory Committee (YAC) meetings.

The outdoor space of the youth center plays host to pickup basketball games, wall ball, general sports, coffee shop style tables and chairs, and a Playworld Systems NEOS (an outdoor multiplayer electronic game that promotes active play).

ADULT SPORTS

Kickball

Looking for a social activity for you and your friends? Come be a part of the ONLY Adult Kickball league in the Valley. Kickball leagues are a fast growing trend across the country bringing adults back to the school-yard days of just having fun and playing kickball. Although it can be quite competitive, most teams find it as a night to let loose and have fun. For more information on the Adult Kickball league, visit murrieta.org/adultsports. Kickball is traditionally played in the summer months; however, if you have a team and are interested in playing, please submit an interest form online. Registration includes team t-shirts and weekly restaurant discounts. Spots are limited, so get some friends together and "Let's Kick It"!

Soccer

Tired of just watching the kids play soccer? Anxious to get in there and kick the ball the way you'd like? Whether you love the game of soccer or just want to get out and play, join in one of our Women's or Coed Soccer Leagues. All leagues are played under modified 8v8 rules. Come participate in one of our adult soccer leagues where neighbors, friends, and co-workers can share an hour of fun and good exercise.

The purpose of the Murrieta Adult Soccer League is to promote the sport of soccer by providing the opportunity to play organized soccer within the community. The program is currently affiliated with the Cal South Adult League. The Adult Soccer League provides a positive environment for competition while emphasizing good sportsmanship. Come out and we'll see how many of you can still "Bend it like Beckham." There are two seasons a year.

Softball

Are you looking to relive those glory days when you were the All-Star of your baseball/softball team? Then show off your skills in Murrieta's Adult Softball League. Murrieta Community Services Department offers spring, fall, and a summer mini-season for all adult softball leagues. There is a men's league and a coed league in which you can choose to participate!

The Adult Softball League provides a positive environment for competition while emphasizing good sportsmanship. Come out and show what you've got! Get your team of bat-wielding hooligans together and let's Play Ball! There are three seasons a year.

WATER CONSERVATION

There are many techniques and devices that will prevent runoff by using water more efficiently. Wood and rock mulches keep moisture in the soil and reduce evaporation. Bubblers, drip systems, and rotator sprinkler nozzles apply water in a more targeted manner, reducing overspray and runoff. Here are a few water efficient devices to help you stay up-to-date with the latest water conservation trends.

Active-Duty Military Banner Program

The City of Murrieta has arranged for the community to honor and pay tribute to the courage, commitment, and heroism of the men and women who are currently serving in the United States Armed Forces through its Active-Duty Military Banner Program.

Application Requirements

To be eligible for the banner program, an honoree must be:

- A current resident of the City of Murrieta
- An active-duty member of the United States Armed Forces

Banner Installation

Installation will take place twice each year; by Memorial Day and by Veterans Day. Each banner will remain up for a period of one year, then retired and given to the honoree or family member at a City Council meeting. Banners are to be installed along California Oaks and Murrieta Hot Springs Roads.

Banner Design

The front and back of each banner, which measures approximately 2' x 5', will list the honoree's name and branch of service and include a photo (if desired) or the branch logo as well as the sponsor logo should there be one.

Cost

There is no cost for the banner or its installation; however, the program is operated through tax-deductible donations. The City of Murrieta will accept donations in any amount to help fund the costs associated with this program.

Bicycle Helmet Campaign

What is a bike helmet?

A helmet protects your head when you fall. It has a thin shell on the outside and thick foam on the inside and has a strap to keep in place.

How does a helmet work?

A foam provides cushion when you hit a surface, which can save you from a head injury or neck injury. The shell keeps the foam in one piece while straps keep it secured to your head. If the strap is not right, your helmet can slip to the side or back, leaving you at risk for injury.

Why wear one?

Being careful is the best way, but it's best to learn the rules of the road and ride that way. Your helmet is only good for one bad impact. After that, the foam is damaged and needs to be replaced.

How do I pick one?

The most important part is to find a helmet that fits you. Work on the straps to get the fit just right and have someone help you.
